

# We'll roll out the red carpet and give you a buzzing welcome to the Hive!

Shelly and I kicked off our salons simultaneously back in the fabulous year of 2005! Over the years, we've reached out to each other, especially in the last five. So, when I heard Shelly was closing up shop, I reached out again, fully understanding her feelings after closing my first salon during Covid.

Shelly and I, having shared the same era and ethics, and even a stint at Knoxfield College (The Knox School), were practically destined to join forces and ensure her beloved clients continue getting Your Very Best!

At Bee Brazilian Salon, which we launched in 2005, we now have four locations. Both our Boronia and Nunawading salons are just a 15-minute hop from Your Very Best.

In Boronia, we have Leonnie, a skin wizard with 20 years of experience, and our 2IC Sarah, with 18 years under her belt, who covers Nunawading and Lilydale but will be in Boronia on Thursday evenings for Your Very Best clients. Tayla, our waxing guru, has been with us since high school and works out of Boronia and Nunawading. Kyla, with 15 years of magic, joins on Tuesdays, and Jess, a client favorite, rounds out the Boronia team, also working at Nunawading.

At Nunawading, Alysha, who loves beauty so much she balances it with a full-time office gig, works Thursday evenings and Saturdays, marking her 9th year with us. Our emerging star, Brianna, will finish high school and pursue a Beauty Therapy Diploma next year. She's already taking waxing clients after 18 months of training.

We know switching therapists can be daunting, so to smooth your transition, we're offering Shelly's clients 20% off their first three treatments until Christmas! Use the code **SHELLYISNO1** when booking to enjoy your discount.

Rest easy knowing Shelly will advise us during your switch to Bee Brazilian, and we're working on a Head Office consulting role for her—her legendary expertise can't go to waste!

Excited to meet your beauty needs,

Sam and the team xo
